DR. WARNER HUH

SURVIVOR SPOTLIGHT

TRACIE RICHTER

PROGRESS IN ALABAMA

BARBARA SCHULER

BECOME A SPONSOR TODAY! YOU CAN MAKE A DIFFERENCE FOR ALABAMA!

Your sponsorship helps VAX 2 STOP CANCER in two key ways:

1) First, it expands our capacity to mentor and train physician practices across the state, resulting in increased HPV vaccination completion rates and the prevention of thousands of future cancer cases.

2) Secondly, it makes our public awareness messaging possible, which is critical to our mission and our goal of reaching 500,000 Alabamians with important facts about the safety and efficacy of the HPV vaccine.
